

Art Homework

Week beginning: 21.2.16

Subject: photographing flowers

This week I would like you to spend some time taking some close-up photographs of flowers. The kind of flowers that might have inspired Georgia O'Keeffe .

Please print your photographs and stick them on a page in your Homework Book. Between 3 to 8 small photographs would be good.

This work should be handed in on Sunday 28th February. I look forward to seeing your photographs.
