Rockin' round the Roman Empire, When our work is done
We let down our hair and party, We like havin' fun!
Spendin' all day diggin' straighter roads builds an appetite,
Tap your feet to the 'Latin beat', We're gonna have a party tonight!

Chorus

2

Rockin' round the Roman Empire, Swingin' to and fro,
Get that party feelin' from your head down to your toes!
Spendin' all day in the Roman baths builds an appetite,
Tap your feet to the 'Latin beat', We're gonna have a party tonight!

Chorus

3

Rockin' round the Roman Empire, Everything's all right,
Swing your toga round and round and make a party sight!
Spendin' all day passin' brand new laws builds an appetite,
Tap your feet to the 'Latin beat', We're gonna have a party tonight!
